1	34	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:46
2	0	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage with (water adj level)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 08:57
3	0	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage with water with (level leveling height length depth)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 08:58
4	0	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage with water and (level leveling height length depth)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 08:59
5	5	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage and water and (level leveling height length depth)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 10:13
7	5	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) and voltage and water and (level leveling height length depth) and sheath and (temperature heat)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:28
6	6	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) and voltage and water and (level leveling height length depth) and sheath	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:44
8	0	inner with outer with conductor with (capacitive capacitor capacitance) with voltage with ((water adj level) (liquid adj level))	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:47
9	1	inner with outer with conductor with (capacitive capacitor capacitance) with voltage and ((water adj level) (liquid adj level))	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:57
10	8	inner with outer with conductor with (capacitive capacitor capacitance) with voltage and (water liquid) and (leveling level)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:57
11	0	inner with outer with conductor with (capacitive capacitor capacitance) with voltage and (water liquid) and (leveling level) and (sheath sheath) and (insulate insulating insulated insulation)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:59
12	7	inner with outer with conductor with (capacitive capacitor capacitance) with voltage and (water liquid) and (leveling level) and (insulate insulating insulated insulation)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 09:59
13	3	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage and water and (level leveling height)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 10:13
14	3	(inner adj conductor) with (outer adj conductor) with (capacitive capacitor capacitance) with voltage and water and (level leveling height) and (computer processor processing microprocessor)	USPAT; US-PGPUB; EPO; DERWENT	2004/11/04 10:14
